EXTENSION**

From: Tyler Ashley, Weekend in the Classic City Chair

Subject: Weekend in the Classic City, October 21-23, 2011

The University of Georgia Collegiate 4-H Club is sponsoring the 10 year anniversary of "Weekend in the Classic City," and we want your 4-H'ers to be a part of it! The weekend will focus on selecting colleges, preparing applications, and the transition to college after high school. The curriculum focuses on scholarships, financial aid, applications, and student life.

Please stress to your 4-H'ers that where they will be attending college does not matter!

There will be plenty of information for them, and Collegiate 4-H'ers from schools across the state will be in attendance.

The event will be held **October 21-23, 2011** at the University of Georgia and delegates will be staying at the Georgia Center for Continuing Education hotel on campus. Parking is available for free in the Hoke Smith Annex parking lot (across the street from the Georgia Center), or in the South Campus Parking Deck (after 5:00 pm on Friday).

Registration should be sent to the State 4-H office and post-marked by **September 30st**. Space is limited to 65 4-Hers, so registration will be made available on a first come, first served basis. The cost for the event is **\$75 per person**. The registration fee includes accommodations at the Georgia Center, Saturday breakfast, Saturday lunch, Saturday dinner, Sunday breakfast, snacks, insurance coverage, a conference t-shirt, as well as all supplies and materials. Students will be rooming with other students from other counties attending the conference. Checks should be made available to Georgia 4-H Foundation (Memo line: WICC) and must be received with the Registration Forms.

Each student registering for the conference must complete the individual registration and travel form as well as the 4-H medical release form. Please send in registration forms as a county group. A confirmation of registration with final conference details will be sent directly to each 4-H'er's e-mail address the week of October 1st. A copy of the correspondence will be sent to the county office. For the conference, each 4-H'er will be assigned to the leadership of an adult chaperone who will be the primary contact person for that 4-H'er should an emergency arise. Adults interested in attending the conference should complete and submit the adult registration form.

More information about the event, including the schedule, is posted on the Collegiate 4-H Website: www.georgia4h.org/collegiate. If you have questions, please contact myself at tylerashley89@gmail.com or Laura Waters with the State 4-H Office at lwaters@uga.edu or at 706-542-4444. We look forward to seeing your senior 4-H'ers in October!
