**Please answer the following questions:**

4-H Projects: International, Performing Arts-General, History, and Public Speaking this year. I also have been involved in various community service and teen leadership activities

4-H Highlights: I won second in 5th grade for international, won first in 6th grade for performing arts-general, won second in 7th grade for history, won third place in my county's Tye/Mobley Speaking Contest, and first this year, I have competed in the Georgia National Fair Junior Speaking Contest and received first. I have also been elected as a Southwest District Junior Board Member.

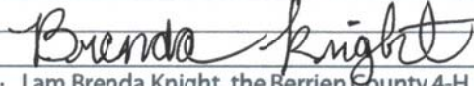

How has your 4-H involvement helped you develop your:

- **Head:** Since fifth grade various people have influenced me in 4-h, my county agent, 4-H program assistant and my parents. They have helped me countless hours to complete my deadlines, and on that journey I have been taught by these people what the five core values of Georgia 4-H mean.
- **Heart:** To the people I mentioned above, my heart has been with them since the beginning, they have also opened their hearts to me and my family, but you also learn to open your hearts to the people in your county, district, and state. They will be with you your whole 4-H career and you learn to love them too.
- **Hands:** My hands have been apart of 4-H since about sixth grade, when I learned the other side of 4-H. Since then I have helped raise thousands of dollars for Moody Air Force Base, helped with Trick or Treat around the square, and helped at my county's health fair.
- **Health:** Finally, my health. your health is an important part of being in 4-H. So many people have taught me to give my all and I have witnessed this at DPA and other events.

Favorite 4-H Memory or Activity: So far, being elected as a Junior Board Member
